Petrol bunk owners observe 'No Purchase Day'

Public need not panic as there is enough stock

Mysuru, May 31 (RK&KS)- About 150 petrol bunk owners, under the banner of Federation of Mysore Petroleum Traders (FMPT) and Akhila Karnataka Federation of Petroleum Traders (AKFPT) staged a 'No Purchase' protest in front of the oil company depots in city this morning.

The protestors accused the State-run oil companies such as Indian Oil Corporation Limited, Hindustan Petroleum Corporation Limited and Bharat Petroleum Corporation Limited of reducing fuel prices by cutting excise duty during weekends, which has resulted in huge losses to them and also for not increasing the dealer margin.

Petrol bunk owners staging a protest in front of a State-run oil company in city this morning.

Speaking to media persons, AKFPT State President Basavegowda said that the oil companies give loads during weekends that too on credit when excise duty on petrol and diesel are being reduced, but will not give loads when there are chances of hike in fuel prices, thus putting them into huge losses.

He said that people need not panic and resort to panic purchasing of fuels as there is enough stock for three days.

AKFPT General Secretary Ranjith Hegde, speaking to *Star of Mysore* said that the recent reduction in fuel prices had a huge impact on petrol bunk owners, who have suffered a minimum loss of Rs. 3.5 lakh to Rs. 25 lakh depending on the individual bunk storage capacity.

Yoga Day: MP inspects Palace premises

Mysuru, May 31 (RK&DM)- With three weeks left for the International Day of Yoga event to be held in Mysuru, which has assumed special significance with the participation of PM Modi, Mysuru-Kodagu MP Pratap Simha, along with officials of the MCC and AYUSH Department, visited Mysore Palace today for a spot inspection.

Speaking to *Star of Mysore*, MP Pratap Simha said that the Yoga Day event is entirely a programme of the Union Government, with the State Government and the District Administration playing a supportive role.

Pointing out that funding of stage erection, yoga mats and such other materials to be used for the event will be done by the Central Government, he said that the local authorities will take up all necessary road repair and such other civil and maintenance works.

Entries invited for Nada Kishorothsava contest

Mysuru, May 31- Sri Nadabrahma Sangeetha Sabha, Mysuru, is organising "Nada Kishorothsava" programme from Sept.9 to Sept. 11. The competition will be in Karnatak and Hindustani Classical Music, both vocal and instrumental except percussion instruments.

The age limit for the artiste to participate is 30 years and should be able to give a full-fledged concert. The soft copy of the biodata with live audio of a concert should be sent by e-mail to: *ksnpin50@gmail.com* before July 31, 2022.

Ten selected artistes will perform in September.

For details contact the Sabha's Hon. Secretary on Mob: 94482-82501.

Compassionate job for family members of SC/ST employees

Bengaluru, May 31- In a significant decision, the State Government has ordered that family members of SC/ST employees who die due to atrocities and violence against them, will be provided with jobs on compassionate grounds.

The order comes soon after the State cabinet approved jobs on compassionate grounds for family members of SC/ST employees who die of atrocities while in service.

EDITOR'S BOTTOMLINE

A new Government survey released last week has confirmed what other reports have shown about the state of school education, which has been badly hit by the COVID pandemic. The impact on education has been obvious to everyone, but the survey has given quantified information and details about the nature and extent of the impact. The National Achievement Survey (NAS) 2021, the first such exercise conducted since 2017, was done on a large scale, covering about 34 lakh students of more than one lakh schools in 720 districts. It was held in November 2021. It showed a sharp decline in the performance of students in all subjects during the pandemic years. Even States that have traditionally done well have suffered during the pandemic. The national average percentage, which represents scores in a range of subjects, was 59% for Class 3 and 49% in Class 5. It further dropped to 41.9% in Class 8 and 37.8% in Class 10. In all subjects, average scores were lower than in 2017.

The average performance of schools in rural areas was significantly below those in urban areas in the same regions, and the performance of students from SC, ST and OBC categories was much lower than that of students from the general category. It is to be noted that the average performance declined as students went up the grades. About 25% of the students said they did not have access to digital devices and so online education was lost on them. Nearly 40% said they had problems studying at home. A quarter did not have parental support. One apparent contradictory finding was that about 97% of the teachers had job satisfaction, while the students' performance was poor.

Confectioner creates edible optical illusions

Los Angeles: A former secretary turned confectioner is making heads turn on social media by creating ultra-realistic cakes shaped as everyday objects.

29-year-old Marian Sarkisian used to work as a secretary in Los Angeles, but after a week-long course in Britain, she fell in love with the art of cake-making and decided to turn her passion into a career. It all started in 2016, after a birthday cake made for her sister got a lot of attention from friends and family. Marian started a cake business and as her creations became more and more elaborate, she started getting flooded with requests for special events like weddings, birthdays and christenings. But just as things were starting to pick up, the pandemic hit and the young confectioner found herself with a lot of free time on her hands. That's when she started experimenting with edible illusions.

Electrician cuts power repeatedly to meet girlfriend

Ganeshpur: An electrician was recently sacked from his job as he frequently disrupted power supply in his native village whenever he wanted to meet his girlfriend.

For weeks, the people of Ganeshpur, a small village in eastern Bihar's Purnia district, had to put up with frequent power outages that only seemed to occur a few hours after sunset. No one seemed to know what was causing the problems, as the power company had not reported any power grid malfunctions and none of the neighbouring villages were dealing with similar issues. Exasperated, many in the villages started paying attention to the time when the outages occurred and came to the conclusion that power always went down after dark. They started to suspect foul play and came up with a plan to investigate. It was then the misdeeds of the electrician came to light.

'New technologies in agriculture should reach every farmer'

Mysuru, May 31- A day-long National Symposium on *"Regenerative Agriculture — A Sustainable Technology for Global Food Production"* for Life Science Teachers, Research Scholars and Post-Graduate students was organised by PG Department of Biochemistry and Department of Biotechnology, JSS Science and Technology University in association with Karnataka Science and Technology Academy (KSTA) at JSS College, Ooty Road, in city on May 27.

Prof. B.V. Sambashivaiah, Chief Executive, JSS College, in his keynote address stressed on soil health, scope of research in agriculture and increase of food production. He also mentioned about importance of regenerative agriculture in modern day.

N.M. Shivashankarappa, Director, Horticulture Division, JSS Mahavidyapeetha, in his presidential remarks called upon the youths to spread awareness of newer technologies for solving the problems of food scarcity and land availability. He also stressed on need for the use of technologies by the farmers.

Dr. B.V. Latha, Assistant Professor, PG Department of Biochemistry, welcomed. C.S. Prerana proposed a vote of thanks. DVSK Manasa Priya rendered the invocation. S. Sahana moderated the event. Prof. Vijayendra Kumar, Principal, Prof. N. Haraprasad, Department of Biotechnology, JSS Science and Technology University and Dr. M. Chethan Kumar, Chairman, PG Department of Biochemistry were present.

Around 160 delegates participated in the technical sessions conducted by Dr. M.T. Sanjay and Dr. R. Muthuraju, eminent Scientists from University of Agricultural Sciences, GKVK, Bengaluru.

REALLY...?

- ***There is the same amount of water on Earth as there was when the Earth was formed. The water from your faucet could contain molecules that dinosaurs drank.***
- ***Water is composed of two elements, Hydrogen and Oxygen. 2 Hydrogen + 1 Oxygen = H2O.***
- ***Nearly 97% of the world's water is salty or otherwise undrinkable. Another 2% is locked in ice caps and glaciers. That leaves just 1% for all of humanity's needs — all its agricultural, residential, manufacturing, community, and personal needs.***

Power failure at Mysore Airport

Don't put passengers lives at risk

Sir,

The news item on Mysore Airport runway lights failure last Thursday (May 26) due to a technical glitch is very much disturbing. More shocking is the fact that the standby generator too failed to come on line.

That the Chennai-Mysuru flight was kept going around for nearly an hour wasting fuel on ATC instructions too is serious.

It is a known fact that the uninterrupted power supply is essential for an airport and as such all standby power supply sources should be fit and kept ready to supply power in case of power failure. It may be recalled that traction power supply on Mysuru-Bengaluru rail line failed sometime back for as long as two hours resulting in disruption of arrivals and departures at Mysuru Railway Station.

It is hoped that the agencies concerned at the airport will take care not to allow such contingencies putting the air passengers lives at risk.

Good business at Mango Mela

Around 74 tonnes were sold at the four-day mela

Mysuru, May 31 (SSM)- Following an overwhelming response to the three-day Mango Mela which began on May 27, the same was extended by a day till May 30 at Kuppanna Park in city.

The Mango Mela organised by the Karnataka Mango Board Development and Marketing Board, Horticulture Department and Zilla Panchayat (ZP), Mysuru, concluded yesterday with about transactions worth Rs. 45 lakh by the farmers in the past four days.

As there was a very good response to the Mela, the farmers urged the authorities to give permission to extend the business for one more day. It is learnt that around 12 tonnes of mangoes, belonging to different varieties, were sold on the first day itself.

Mango growers from Mysuru, Mandya, Ramnagar, Kolar and other places took part in the Mela and there were 24 stalls. Organically ripened mangoes were not only in demand but were sold like 'hot cakes.'

Badami was the most preferred variety followed by Raspuri and Mallika. Nearly 30 tonnes of Badam, 18 tonnes of Raspuri and 8 tonnes of Mallika varieties were sold. The sales of other varieties like Totapuri was 5 tonnes, Malgoa - 4 tonnes and some other varieties like Dasheri, Himapasand, Banganpalli was 5 tonnes making a total of 74 tonnes sales.

Horticulture Department Deputy Director Rudresh said that despite limited arrival of crops due to untimely rains in an off-year this time, the response to the Mela was huge and around Rs. 45 lakh transactions was possible. "People thronged the Mela as they were specially looking for organically and naturally ripened 12 varieties of fruits which were immensely available in the Mela this year," he added.

UPSC: Visually challenged Periyapatna girl secures

425th rank, Rajesh Rajesh Ponnappa of Kodagu 222nd rank

Mysuru / Kodagu, May 31 (SSM)- The results of Union Public Service Commission (UPSC) 2021 exam were announced yesterday. As many as 685 candidates have cracked the exam this time out of which 25 are from Karnataka.

K.T. Meghana, a visually challenged girl from Kudukuru near Bettadapura, Periyapatna taluk, has bagged 425th rank.

Daughter of K.N. Tandavamurthy and Navaneetha couple, Meghana is presently working as Assistant Director in Treasury Department at 'Kandaya Bhavan' in Kengeri, Bengaluru after clearing her KPSC exam in 2015 securing 11th rank.

Meghana *Rajesh*

Meghana is suffering from 90 percent vision loss, after developing a retina problem while she was pursuing SSLC. She completed her schooling at Jnanabodhini High School, PUC at Jain College and Degree at Surana College, all in Bengaluru and MA in English through distance education.

Meghana managed to prepare herself for Karnataka Administrative Service (KAS) and Indian Administrative Service (IAS), while working for a multinational company. She undertook training at Rajkumar IAS Academy and secured 465th rank in UPSC-2020. Aiming to secure a rank within 400 in UPSC so that she can serve as an IAS Officer in her motherland, Meghana has decided to take up UPSC exam next year also.

Rajesh Ponnappa, son of Mundanda Jaya Poovaiah and Sudha Poovaiah of Nelji village in Madikeri, managed to secure 222nd rank in UPSC this year in his third attempt. He is a Mechanical Engineer and a law graduate. Apart from preparing for UPSC, Rajesh provided guidance to a few aspirants who were also preparing along with him.

Indians have more mental peace than people of other countries: Pralhad Joshi

Union Minister of Parliamentary Affairs, Coal and Mines Pralhad Joshi greeting Sri Ganapathy Sachchidananda Swamiji on the Seer's 80th birthday at the Ashram in city yesterday as Mysuru-Kodagu MP Pratap Simha, Uttar Pradesh Governor Anandiben Patel and others look on.

Mysuru, May 31 (PM&TRR) "Religion is an integral part of our culture and tradition. Because of our religion and spirituality, our people are living more peacefully than the people of other foreign countries," opined Union Minister of Parliamentary Affairs, Coal and Mines Pralhad Joshi.

He was speaking at 'Chaitanya Archana' programme organised at Nada Mantapa in Sri Ganapathy Sachchidananda Ashram on Nanjangud road on the occasion of the 10-day 80th birthday celebrations of Sri Ganapathy Swamiji yesterday.

The Union Minister greeted the Seer and sought his blessings. Many distinguished persons were honoured for their achievements in their chosen field on the occasion.

"By propagating Hanuman Chalisa and Dattatreya Aradhane, Sri Ganapathy Swamiji has given mental peace to the people. We are foregoing our mental peace in our urgency to make more money. This is a culture which is alien to our country and is being practised by other foreign countries," Pralhad Joshi noted.

"Our country, despite having a population of 135 crore of divergent communities, has more peace than compared to other countries because of our religion and spirituality. Religion need not mean one sect. Our tradition and culture have defined religion as our lifestyle. That is why when somebody makes a mistake, we say it is not religion (dharma). Lord Sri Krishna after propagating everything in Gita said that, 'What I have said is not final and you should use your discretion'," explained the Union Minister.

MP Pratap Simha, who also spoke, said that Sri Ganapathy Swamiji is simultaneously propagating religion and music to the entire world.

He recalled that during the COVID-19 and lockdown period, the Swamiji had helped us by arranging food for 10,000 people daily. Thus, the Swamiji played a significant role in protecting lives during the dreaded pandemic days, he added.

Uttar Pradesh Governor Anandiben Patel, who too visited the Ashram, said that Sri Ganapathy Swamiji has further glorified India's name in the entire world through his yoga and music. His love for environment conservation is exemplary, she opined.

Stating that she has never seen a better bonsai garden anywhere in the world than the one in the Ashram, she said that the Swamiji is enlightening the lives of people through spirituality.

When I was searching for another place to visit in Mysuru after seeing the magnificent Mysore Palace, I came to this Ashram where I had a great experience, she added.

"The peaceful environment of this Ashram, Shukavana aviary, Bonsai Garden and Nada Mantapa are really marvellous. Inspired by the Bonsai Garden of the Ashram, we are also in the process of having a Bonsai Garden in our Raj Bhavan premises. The Shukavana has hundreds of birds and pigeons and it is rare to see such love for birds elsewhere. Those who want peace of mind should visit Sri Datta Venkateshwara temple and Dattatreya temple in the Ashram," opined Anandiben Patel and added that because of Seers like Sri Ganapathy Swamiji India's culture and spirituality is still shining.

An audio cassette of a music programme which Sri Swamij conducted at Switzerland in 2019 and a biography of the Seer brought out in Spanish language were released on the occasion.

Later, Sri Ganapathy Swamiji felicitated Pralhad Joshi and Anandiben Patel with rudrakshisara (rudrakshi beads chain). Junior Pontiff Sri Datta Vijayananda Theertha Swamiji and other dignitaries were present on the occasion.

Helping Hands' gesture

Helping Hands, a Jain Organisation, under its Shiksha Project, provided food to nearly 900 children, teachers and parents at the Kids Festival organised by the Department of Public Instruction and other sponsors at Kalamandira recently. Member of Helping Hands Prakash Gandhi was honoured on the occasion in the presence of Helping Hands President Mahaveerchand Khabiya, Secretary Anand Patwa, Treasurer Rajan Baghmar, Manohar Sankala, Goutam Patwa, DDPI Ramachandraj Urs, BEO Ramaradhya, Ittigegud Government School Head Master Mallangi Suresh and others.

UP Governor visits Suttur Mutt

Mysuru, May 31 (PM&SSM)- Uttar Pradesh (UP) Governor Anandiben Patel visited Suttur Mutt at the foot of Chamundi Hill yesterday and sought the blessings of Sri Shivarathri Deshikendra Swamiji.

Anandiben was welcomed with school children's band and cultural performances by the folk troupe. She later performed puja to Nandi Kamba and watched Puja Kunita, Veeragase, Kamsale and other folk forms.

Suttur Mutt Junior Pontiff Sri Jayarajendra Swamiji, JSS Mahavidyapeetha Secretary S.P Manjunath, Executive Secretary Dr. C.G. Betsurmath and others were present during the VIP's visit to the Mutt.

Lightning strikes kill 70 people in last 10 years

KSNDMC conducts study at Mysuru, Mandya and Chamarajanagar districts

Mysuru, May 31 (RK&KS)- As many as 70 people have died due to lightning and thunder strikes in rural belt in the last 10 years, according to the report by Karnataka State Natural Disaster Monitoring Centre (KSNDMC).

As per the study conducted by KSNDMC in Mysuru, Mandya and Chamarajanagar districts, 32 people died due to lightning strike in Mysuru district, 27 in Chamarajanagar and 11 people lost their lives in Mandya district between 2011 and 2021.

Mysuru district reported 15 deaths due to lightning in 2015, no deaths in 2021 while 8 people had lost their lives in 2019. Kodagu district, which was struck by a series of natural disasters including floods and landslides, has not reported a single death due to lightning in the last 10 years.

The study also stated that the maximum deaths due to lightning took place in South Karnataka districts. Between June 2018 and December 2021, Mysuru District reported 13,437 cloud to ground lightning incidents, 14,138 incidents in Mandya and 8,635 incidents were recorded in Chamarajanagar. In neighbouring districts, Hassan reported 16,264 incidents, 16,994 in Chikkamagalur and Shivamogga reported 14,866 lightning incidents. Kodagu reported fewer incidents with 6,303 lightning strikes being recorded.

Picture for representation only

The study report states that rural and forest areas are most vulnerable due to the presence of tall trees and water bodies and a majority of the lightning victims were people working in agricultural fields in rural areas.

The report sets guidelines to the local authorities with specific instructions on dos and don'ts including preventive steps and to improve response mechanism besides capacity building. The KSNDMC report suggests that awareness and education is an important component to foster a culture of preventing and preparedness.

Rs. 5 Doctor discharged

Mandya, May 31- Noted Medical Practitioner **Dr. C.S. Shankaregowda**, popularly known across the district as 'Rs.5 Doctor,' who was undergoing treatment for heart ailment, was discharged from a Bengaluru Hospital on Monday.

Dr. Shankaregowda, who suffered a heart attack on May 23, was first admitted to Apollo BGS Hospitals in Mysuru and later shifted to a Bengaluru Hospital. Following recovery, he was discharged yesterday from the Bengaluru Hospital.

Rain damage: Chamundeshwari MLA seeks Rs. 27.50 crore grant

Mysuru, May 31- Chamundeshwari MLA G.T. Devegowda (GTD) met Chief Minister Basavaraj Bommai at his residence in Bengaluru and sought a grant of Rs. 27.50 crore for relief works to be undertaken in the wake of severe damage caused in the Constituency due heavy rains that lashed recently.

Giving details of the damages caused, GTD said that lakes in Hinkal, Bogadi and Lingambudhi have breached after 20 years due to the recent heavy rains causing water to gush into residential areas resulting in enormous loss to the citizens. Public roads, bridges, culverts and drainages have been badly damaged.

MP Pratap Simha, Deputy Commissioner Dr. Bagadi Gautham, Mysuru City Corporation Commissioner (MCC) G. Lakshmikantha Reddy and other concerned officers have inspected the affected areas. Following this, the MCC Commissioner has sought a grant of Rs. 27.50 crore, the MLA said and appealed to

the Chief Minister to release the grants immediately so that relief works can be taken up immediately and basic facilities provided to the citizens. The MLA later informed the media that the CM has responded positively to his appeal.

Even the rains that lashed the city during last October - November had caused extensive damage with water entering into residential layouts of Bogadi 2nd Stage, CFTRI Layout, Anandanagara, Ashraya Extension, Ananda Layout, Preethi Layout, Ramakrishnanagar, Dattagalli, Sharadadevinagar areas.

Following this, District Minister S.T. Somashekar held a meeting with the concerned officials and later submitted a memorandum to the Government seeking release of Rs.138 crore to take up relief works, recalled Chamundeshwari MLA G.T. Devegowda.

Obituary

G. Srikanta Shastry

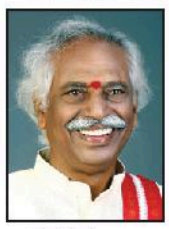
Haryana Governor lauds Sri Swamiji's services

Mysuru, May 31 (PM&TRR)- Haryana Governor Bandaru Dattatreya opined that Sri Ganapathy Sachchidananda Swamiji is not just a religious propagator but also a pro-society thinker. The Governor was speaking at the 80th birthday celebrations of Sri Swamiji at the Ashram on Nanjangud road this morning after greeting the Seer.



Dattatreya

Achievers in various fields — Asthana Vidwans - Chintapalli Anjaneya Ghanapati (Vijayawada), N. Shashishekhar Dixit (Mysuru Shaiva Agama), Himanshu Bhushan Dutt (Jwala Ji, Himachal Pradesh), Pravachana Nidhi - Vibhishana Sharma, Asthana Vidushi - Punya Srinivas (Chennai - Veena) and Shuka Vana Award - Saravanan Krishnasamy (Chennai) — who were felicitated at Sri Ganapathy Sachchidananda Ashram on Ooty Road in city this morning as part of the ongoing 80th birthday celebrations of Sri Ganapathy Sachchidananda Swamiji, 100th birth anniversary of Sri Jayalakshmi Mata and 24th anniversary of Nada Mantapa, are seen with Avadhoota Datta Peetham Seer Sri Ganapathy Sachchidananda Swamiji, Junior Pontiff Sri Datta Vijayananda Theertha Swamiji, Haryana Governor Bandaru Dattatreya, Chairman of the Tirumala Tirupati Devasthanams Trust Y.V. Subba Reddy & his wife Swarna Latha Reddy and Joint Executive Officer (JEO) of Tirumala Tirupati Devasthanams (TTD) V. Veerabrahmaiah.

"Bhagavadgita is not limited to a religion and all human beings, irrespective of their religion, should imbibe the teachings of the Gita. Sri Swamiji is propagating Indian religion and culture across the world by constructing temples in various parts of the globe and spreading the messages of Bhagavadgita which is very commendable," added Bandaru Dattatreya.

Sri Ganapathy Swamiji is doing invaluable social service and by conducting health camps, he has helped thousands of people. Besides, the Seer has honoured many scholars, musicians, artists and other achievers in various fields at Nada Mantapa which is a very good gesture, said the Haryana Governor.

Sri Ganapathy Ashram has Shukavana, Bonsai Garden, Ashwashala, Vedic School and temples; after seeing all this, one feels this Ashram is a prominent Spiritual Centre of India, concluded Bandaru Dattatreya.

Former Mizoram Governor Kummanam Rajasekharan also greeted the Senior Pontiff on his 80th birthday and said that just like Swami Vivekananda, who spread the voice of Bharat and its glorious civilisation to every corner of the world, Sri Ganapathy Swamiji, by establishing Ashrams, temples and spiritual learning centres across the world, is carrying on the mission that Vivekananda propagated.

Describing Sri Swamiji as a personality beyond comparision, Rajasekharan said that the Swamiji has devoted his life not only to the service of humans but also to all living beings.

To mark the conclusion of 80th birthday celebrations of the Swamiji, Srichakra Puja, Shanti Poushtika Homa were performed in the morning. Later the Swamiji gave his blessings.

Junior Pontiff Sri Datta Vijayananda Theertha Swamiji thanked all those who participated in today's programme.

International Day of Yoga

Preparations begin at Palace premises

75,000 yoga practitioners to perform along with PM Modi on June 21, says Union Minister

Mysuru, May 31 (SBD&DM)- With Prime Minister Narendra Modi scheduled to take part in the International Day of Yoga in Mysuru on June 21, preparations have kickstarted at the Mysore Palace, the venue of the historic event, in which a record 75,000 yoga practitioners will perform various asanas.

Speaking to presspersons after holding a meeting with elected representatives and stakeholders at a private hotel in Nazarbad here on Monday, Union Minister for Parliamentary Affairs, Coal and Mines Pralhad Joshi said that the Mysore Palace has been selected as the venue for the June 21 International Yoga Day with the purpose of holding the event at special places.

Pointing out that Mysuru is the first city in South India that is hosting the global event, with the PM's participation assuming all the more significance, Pralhad Joshi said that with the hosting of the event, Mysuru has added one more feather to its cap.

Noting that a big LED screen will be installed at select points so as to cover live larger areas and the population of the city, the Union Minister said that over 140 countries across the globe are taking part in this mass yoga.

Maintaining that it has been globally agreed that yoga is the best way for maintenance of physical and mental health, Joshi said that he has learnt that preparations for the Yoga Day is also underway at countries such as USA, Japan and Australia.

Replying to a question on whether Modi may announce a special gift to Mysuru when he comes to the city on June 21, Joshi said, "We don't trumpet out achievements. We silently do our work, which speaks about our achievements. PM Modi has made many contributions to Mysuru and the latest one is sanction of Rs.150 crore for upgradation of AIISH. Some of the other contributions are conversion of Mysuru-Bengaluru Highway into 10-lane, upgradaion of Railway facilities, addition of a good number of trains between Mysuru - Bengaluru and such others."

District Minister S.T. Somashekar, MP Pratap Simha, MLAs S.A. Ramdas and L. Nagendra, MUDA Chairman H.V. Rajeev, MyLac Chairman N.V. Phaneesh, City BJP President T.S. Srivatsa, Party leaders Sandesh Nagaraj, Sandesh Swamy, Siddaraju, Devanur Pratap, Giridhar and others were present.

Collective yoga structure competition

As part of Yoga Day celebrations in city, the Rashtrotthana Parishath, in association with Kreeda Bharathi, Mysuru and Youth for Seva, Mysuru, will be conducting a 'Collective Yoga Structure Competition' to further promote Yoga. Addressing a press meet here yesterday, President of Kreeda Bharathi Subramanya said that there will be three prizes, with the first prize winning team to get Rs.1 lakh, the second prize winner Rs. 50,000 and the third prize winner Rs.25,000.

The competition, which commences from June 21, will take place for two months, following which the winners will be announced, he added.

Mahendra Prasad of Rashtrotthana Parishath said that Rashtrotthana Yoga Science and Research Institute, which was started in 1972, currently runs 150 yoga classes through 16 Yoga Centres and over 3,000 persons perform yoga sessions every day.

'We will be participating in the Yoga Day and nearly 30,000 people from our organisation will attend the event at Palace premises on June 21,' he said.

Udith Gowda of Youth for Seva said that his organisation will give full support to the District Administration to make this programme a historic one, with the involvement of youths. For details, contact Mob: 97430-79238.

MP inspects Palace

(Continued from page 1)

"The repair, civil and maintenance works on select stretches of the Ring Road, Nanjangud Road, Chamundi Hill Road, New Sayyaji Rao Road, Gaddige Road and Hunsur Road and all roads around the Palace will be taken up, during which broken barricades, footpath kerbs and such other repair works will be taken up," MP Pratap Simha said.

"As the Model Code of Conduct is in force for the forthcoming Legislative Council polls from South Graduates Constituency, we have appealed the State Government to exempt Mysuru from the poll code, so that works can be expedited," he said adding that he will be meeting Chief Minister Basavaraj Bommai in a couple of days to seek special funds for carrying out repair and civil works.

MCC Commissioner G. Lakshmikantha Reddy said that soon after learning that Mysuru will be hosting the International Day Yoga event, the MCC wrote a letter to the Government seeking exemption from the Election Commission for carrying out all preparatory works and the EC is expected to respond favourably.

Maintaining that the city will be ready with all necessary facilities for the grand event, he said that the works will be expedited keeping in mind the paucity of time.

MUDA Commissioner H.V. Rajeev, MCC SE Mahesh, Shamiyana contractor Shariff, AYUSH Department and MCC Zone-1 Officials accompanied the MP.

Yoga to be taught in Schools from next year: CM tells PM

Bengaluru, May 31(KMS&DM)- With the Government of India taking all necessary steps for the promotion of yoga across the country, Chief Minister Basavaraj Bommai has assured Prime Minister Narendra Modi that yoga lessons will be taught in Schools and Colleges from the next academic year.

In a video conference with PM Modi on the preparations for the International Yoga Day event at Mysuru on June 21, Bommai assured that yoga lessons will be introduced in Schools in order to lift up the morale of students, who have suffered from the effects of COVID pandemic.

Pointing out that the State Government is keenly awaiting the arrival of the PM to the State on June 21, Bommai explained the PM on what has been done and what needs to be done for the total success of the event at Mysuru.

Heritage restoration works

Yaduveer Wadiyar visits Government Ayurveda College and Hospital

Mysuru, May 31 (RK&DM)- With the restoration and repair works of Government Ayurveda Medical College and Hospital at Sir M. Visvesvaraya Circle (K.R. Hospital Circle) on Sayyaji Rao Road going on, titular head of the erstwhile Mysore Royal Family Yaduveer Krishnadatta Chamaraja Wadiyar visited the college and hospital for an inspection of works this morning.

The college building, which is a decades old structure, is listed as one of the major heritage structures of the city and the Union Government, considering its heritage status, took up restoration works over a year ago, without altering the original design of the building.

After arriving at the college, Yaduveer went around the entire college premises visiting the OPD and IP sections. During his visit, the college Principal Dr. Gajanan Hegde apprised him on the different methods of Ayurveda treatment for numerous ailments being provided and their usefulness and advantages as well as the functioning of the college as a whole.

Later speaking to press persons, Yaduveer said that he was happy with the ongoing restoration works as they are being executed in a proper manner. Stressing on the need for conserving our heritage structures in their original form without disturbing their architectural and structural characteristics, he observed that restoration, rather than demolition, should be the first priority in conservation of all Heritage structures. Pointing out that many tourists are found to enjoy and admire the heritage beauty of buildings only in their original form, Yaduveer said that with Mysuru being called as a Heritage City, it is important to ensure that the city retain its centuries old heritage and cultural richness. Calling upon the youths to practice Yoga, Yaduveer said that he is happy that Prime Minister Narednra Modi will be participating in the International Day of Yoga event at Mysore Palace premises on June 21.

Heritage expert Prof. Rangaraju & Dasharath of Namma Mysuru Foundation were present.

Petrol bunk owners

(Continued from page 1)

Pointing out that one petrol bunk purchases 20,000 litres each of petrol and diesel on Saturdays as there will be no supply of fuels on Sundays, Ranjith said that petrol which was sold at Rs. 110 per litre was reduced to Rs. 101 causing a loss of Rs. 9 per litre. This has resulted in a loss of Rs. 1,80,000 to the dealer, who had purchased 20,000 litres from the depot.

Similarly, diesel, which was sold at Rs. 94 per litre was reduced to Rs. 87 per litre resulting in a loss of Rs. 7 per litre and Rs. 1,40,000 for 20,000 litres. In total, one bunk owner has suffered a total loss of Rs. 3.2 lakh. Other petrol bunks with more storage capacity have suffered more losses, he said.

"We are not against reduction of fuel prices, but we are against reduction of fuel prices during weekends (Saturdays) that too when we have purchased more stocks as we do not want to inconvenience fuel consumers during holidays," he added.

Added to this, the dealer margin has not been increased since August 2017, despite the Committee, consisting of Petroleum Ministry officials and others, recommending enhancing dealer margin twice a year.

"It has become very difficult for us to maintain and manage petrol bunk and staff with very less dealer margin. We hike the salaries of the staff every year, pay more taxes each year and even power bills. But with dealer margin not increased since 2017, it is becoming near impossible to maintain the bunk," Ranjith added. He said that the oil companies should reimburse the losses suffered by bunk owners and also increase the dealer margin, which are two major demands.

FMPT President Shashikala, Manjesh, Lokesh and others were present.

PUBLIC NOTICE

It is hereby notified to the general public that my client Andilib Nausheen A.P., W/o. Mohammed Yaqub residing at #75/1A, 7th cross, Rajendra Nagar, Mysore-570007 has lost title deed of the schedule property. High-risk surgery performed on 102-year-old at Apollo

Mysuru, May 31- A high-risk surgery was successfully performed on a 102-year-old man for the first time at The Institutes of Orthopaedics, Apollo BGS Hospitals and a first in the city of Mysuru. The rare Bipolar Hip Replacement surgery was performed to correct the fractured neck of the left femur of the 102-year-old patient.

The surgery was performed by Dr. T.N. Balakrishna Gowda (BKG), Chief Orthopaedic Surgeon and Head of Institutes of Orthopaedics, Apollo BGS Hospitals, Mysuru. The patient, N. Srikantaiah was rushed to the emergency with complaints of pain in the left hip region after he had a fall at home. The patient expressed his inability to bear weight on his left lower limb. Earlier to this incident, he was active and independently performed his daily chores. On examination of his condition, it was found out that there was a fracture on the left proximal femur.

Given his advanced age and complications of becoming bedridden, the doctor, after discussing with his family, decided to do a modular bipolar hip arthroplasty. Given the fact that the elderly patients with hip fractures are prone to develop infections in the chest and urinary tract, deep vein thrombosis, bedsores, compromised cardio-pulmonary reserve and other complications, the plan was devised. After careful examination of all aspects, Srikantaiah was operated on with a hip replacement of his left hip joint. The surgery was completed in 20 minutes. Within 24 hours of performing the surgery, the patient was back on his feet.

Dr. T.N. Balakrishna Gowda (BKG), Chief Orthopaedic Surgeon, is seen interacting with the patient, N. Srikantaiah. Bharateesh Reddy, Vice-President and Unit Head, Apollo BGS Hospitals, is also seen.

The intra-operative and immediate post-operative period was uneventful. Dr. BKG said, "Given the patient's advanced age, there are many risks associated with performing the surgery, which we evaluated. Devising a comprehensive management plan to overcome any possible challenges, we decided on performing the surgery avoiding all possible risks. A minimal incision of 5-6 cms instead of 14-15 cms was made to avoid blood loss and the hip replacement was carried out."

Dr. Adarsh, Consultant Anaesthesiologist, said: "Per- op- erative anaesthesia was given only to the affected limb to avoid any complications. The patient responded well to the treatment and he was mobilised the next day of the surgery bearing full weight on his operated limb."

Appreciating the surgical expertise of the doctor and faster recovery process of his father, Nanjundaswamy, 75 years, expressed his happiness on getting his father back to his feet with lesser hospital stay of just 4 days which otherwise would take more than 15 days in other countries, as expressed by his family members living abroad.

Addressing the media, Bharateesha Reddy, Vice-President and Unit Head, Apollo BGS Hospitals, informed that The Institute of Orthopaedics every year performs nearly 1,300 plus surgeries out of which about 100 plus are on patients above 80 years and up to 100 years, having multiple comorbidities, enabling them to stay mobile and lead an everyday life till their natural life expectancy, who would otherwise reach the end stage much sooner.

Catch Live on SONY TEN

Paris, May 31- The ace Indian tennis star Sania Mirza and her Czech partner Lucie Hradecka made it to the Women's Doubles pre-quarterfinals of the French Open in Paris on Saturday.

Tenth seeds Sania and Hradecka defeated the unseeded all-Slovenian duo of Kaja Juvan and Tamara Zidansek 6-3, 6-4 in one hour 13 minutes.

Mirza and Hradecka were barely troubled by the Slovenians as they took the first set 6-3 with ease. Juvan and Zidansek did seem to be putting up a better fight in the second set, but the 10th seeds were just too good for them as Mirza-Hradecka won it 6-4 to force their way into the round of 16.

The Indo-Czech pair will face eighth-seeded all-American duo of Coco Gauff and Jessica Pegula in the pre-quarterfinals today (May 31) at 7 pm (IST).

Sania, who resumed her Mixed Doubles campaign along with Croatian Ivan Dodig on Sunday, lost in the second round to the all-Brazilian duo of Beatriz Haddad Maia and Bruno Soares.

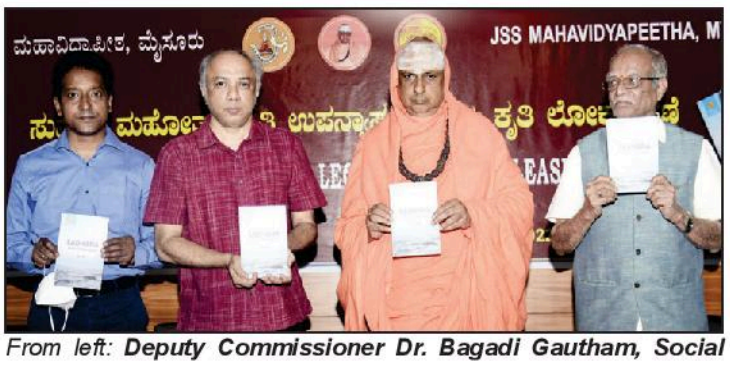
'Finding solutions to problems more important than just complaining'

Social Entrepreneur Dr. Harish Hande delivers talk at JSS



From left: ***Deputy Commissioner Dr. Bagadi Gautham, Social Entrepreneur Dr. Harish Hande, Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji and Dr. B.R. Pai releasing Sri M's work 'Sadhana - The Path of Liberation' in city recently.***

Mysuru, May 31 (DM)- Social Entrepreneur Dr. Harish Hande, Co-founder of SELCO Solar Light Pvt. Ltd. and a Ramon Magsaysay awardee, said that finding long-standing solutions to problems is more important than just complaining about them. He was delivering a talk on the topic 'Poverty and Sustainability' of the 11th lecture series organised as part of the Golden Jubilee celebrations of JSS Mahavidyapeetha at Sri Rajendra Centenary Hall in JSS Hospital premises here recently.

Maintaining that the tribe of complaining people is on the rise in the country, Dr. Hande observed that at the same time, the number of those trying to find solutions for problems and issues is rapidly decreasing.

Stressing on the need for not wasting time on complaining, he said that the first priority should be finding solutions.

Pointing out that Indians are a talented lot, Dr. Hande said that everyone should take up responsibility for solving problems as everyone of us are capable of it. Noting that India too is facing problems just like many other countries, he said that doing work sitting in the comforts of offices is not enough for resolving issues.

Stating that the COVID pandemic which struck the world, had resulted in a few becoming millionaires, while crores of others were pushed to poverty and penury, Dr. Hande opined that the subsidies enjoyed by the rich are indeed the hard work put in by the poor. But despite this fact, our administrative system is against the poor, he observed and added that youths should come forward for ending poverty and solving livelihood issues.

Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, who graced the occasion, said that though the country is mired in problems, there are solutions for all of them. Noting that in the past, the villagers were finding solutions to problems at the village level itself, he said that people should have a greater understanding for ensuring that problems to do not surface. Contending that poverty does not come in the way of sustainability, the Seer observed that there should be no discrimination in any of our social works. Service to mankind is more important than money, he said adding that it is better to become an 'asset' of crores of people rather than becoming a 'crorepati.'

DC Dr. Bagadi Gautham, in his address, lauded Suttur Mutt for its yeoman service to society. Pointing out that the lecture series will be much useful for students, he emphasised on the need for moving ahead in life while realising that solutions to problems are nearer.

City's noted Industrialist Dr. B.R. Pai released Sri M's work 'Sadhana - The Path of Liberation' on the occasion.

Dr. Hande also interacted with the audience. Earlier, Roopa Guruprasad and K.G. Vinutha rendered invocation. JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath, Prof. Morabada Mallikarjuna and R. Mahesh were present.

Muslim brethren greet

Sri Ganapathy Swamiji on his birthday

Muslim brethren greeted Sri Ganapathy Sachchidananda Swamiji on the occasion of the Seer's 80th birthday celebrations at Sri Ganapathy Sachchidananda Ashram on Nanjangud Road in city recently. Picture shows Sri Ganapathy Swamiji with Abdul Azeez Chand, Secretary of Majlis-e-Rifahul Muslimeen, Mysuru, Alhaj Mohamed Mumtaz Ahmed, Member of Mysore District Central Muslim Association of Karnataka, Alhaj Zuber Ahmed Khan of National Marbles, Mysuru (Trustee of Sri Ganapathy Ashram) and Fazil Chand of Ummath Social Foundation, Mysuru. Sri Swamiji informed them that he has built a Masjid at his birthplace and asked them to visit the same.

83rd birthday of BK Karunaji celebrated in city

BK Karunaji, Chairperson, Media Wing, Brahma Kumaris, Mount Abu, arrived at Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya's Gyan Prakash Bhawan in Yadavagiri, Mysuru, on May 23. On the occasion, his 83d birthday was celebrated in the presence of singer BK Rameshji, Brahma Kumaris Mysuru Sub-Zone Chief Convenor BK Lakshmiji, BK Ramachandra, BK Nagaraj, BK Veeram Singh, BK Govindegowda and others.

Govt. ready to solve problems of tribals:

State Wildlife Board Member K.S.N. Chikkerur

Hanagodu, May 31 (TRR)- Karnataka State Wildlife Board Member and retired ADGP K.S.N. Chikkerur has said that there is no provision for tribals who have been rehabilitated earlier to live again in the forests.

He was speaking at Shettahalli-Lakkapattana Rehabilitation Centre in Hanagodu hobli recently after listening to the grievances of the residents.

"All of you are beneficiaries of Government's Nagarahole Forest Tribals Rehabilitation Programme and once you are rehabilitated under a Government programme, you cannot go back to forest again and live there. But the Government is prepared to solve your problems. So, form a Forest Rights Committee in your Rehab Centres and inform the Government about your problems through the Committee," he advised.

Mysuru District Superintendent of Police (SP) R. Chethan, who spoke on the occasion, opined that instead of taking law into their hands the tribals should report their problems with the officials concerned who will bring them to the notice of the DC. A meeting will be held soon to solve the problems of tribals, he said and urged them to compulsorily send their children to schools.

Chowdamma, an inmate of Rehabilitation Centre, said that 40 families of H.D. Kote taluk's Bogapura hamlet in Nagarahole were rehabilitated at Shettahalli-Lakkapattana Rehab Centre with the help of Forest Department and voluntary organisations. "But even basic facilities are not provided here by the Government. Because of this, we wanted to go back to forests on January 15 and live there. But Forest and Police officials have brought us back to the Rehab Centre. If the Government doesn't provide basic facilities and solve our problems, we will go back to forests," she added.

Rehab Centre leaders later submitted a memorandum to the SP seeking basic facilities. The SP assured them that he will forward them to the DC and hold a meeting in their Rehab Centre at the earliest.

Human Rights activist Prassannakumar, tribal leader Vijayakumar, Neralakuppe Gram Panchayat ex-Member Raju and others were present on the occasion.

WORD OF THE DAY

Uncanny

Pronunciation: un-KAN-ee.
Meaning: Uncanny is used to describe something that is strange or unusual in a way that is surprising or difficult to understand.
Origin: Uncanny describes that which unsettles us, such as disquieting observations, or mysterious situations and circumstances. Strip the word of its common negating prefix, though, and you're left with canny, a word that shares semantic territory with clever and prudent. While canny and uncanny don't appear to be antonyms, they both come from an early Scottish word canny meaning "free from risk; wise, prudent, cautious." And in Scottish, canny has for centuries had a secondary meaning that correlates better to its mysterious cousin: the Oxford English Dictionary reports that the word is used in negative constructions to describe what is not safe to be involved with, or more broadly, what is not in accordance with what is right or natural.
Example: "Having reinvented contemporary circus as an aesthetically ambitious artform, the company here demonstrates ... what can be achieved when uncanny acrobatic prowess meets the poised spatial intelligence of contemporary dance and intensities of physical theatre."

THE ODD WORD

Ughten

Morning twilight.

PHRASE OF THE DAY

Up a blind alley

Meaning: That someone is following a course of action that is certain to lead to an undesirable outcome.
Origin: The origin of the expression 'up a blind alley' comes from the mid-19th century, hundreds of years after alleyways that essentially lead to nowhere were first configured. The phrase is first seen in print in the late 1800s, with this example from the October 1874 newspaper *Burlington Hawk-Eye* serving as an illustration: "If, on account of these things, the overthrow of Republicanism must come, as come it will, we had better reach our destination as quickly as possible, making the issue sharp enough to be understood by all the world, and not be piddling along from year to year in a miserable blind alley of partisan passion and falsehood, getting weaker and weaker, and poorer and poorer, and madder and madder, under incessant proscription and vilification."
Example: "I keep telling Gina to stop chasing after Joe. She's just going up a blind alley!"

QUOTE BOX

I like alleys. They are the backdoor to everything. **— Brian Azzarello**

RIDDLE THIS

Solve the rebus:

Answer: Waving goodbye.

CROSS WORD

ACROSS:
1 Hindu lawgiver
5 East European river
9 Snare
12 The first king of Phliasia

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

XMC MKOECO A JQOZ,

XMC IGNZACO A PCX.

TODAY'S CLUE: X EQUALS T

Yesterday's Cryptoquip: Happiness and moral duty are inseparably connected.

'Mysurina Samajika Ratna' Awardees

Vid. Dr. Banuprakash Sharma (Religious), District Kannada Sahitya Parishat President Maddikere Gopal (Literature), C. Narayanagowda (Industry), J.H. Anil Kumar (Media), Devendra Parihariya (Organisation), Shoba Dinesh (Social Service), Prakash Chikkapalya (Art), Cable Mahesh (Politics) and Suhas (Sports), who were conferred with 'Mysurina Samajika Ratna' awards by KMPK Charitable Trust at its 15th anniversary celebrations programme at a hotel in city on Friday, are seen with Melukote Vangipura Mutt Seer Sri Ilai Alwar Swamiji and others.

Mysuru, May 31 (RKB&TRR)- On the occasion of its 15th Anniversary celebrations, K.M. Praveen Kumar (KMPK) Charitable Trust honoured nine achievers in their chosen fields by conferring 'Mysuruina Samajika Ratna' awards at a function held at a hotel here on Friday.

Vid. Dr. Banuprakash Sharma (Religious), District Kannada Sahitya Parishat President Maddikere Gopal (Literature), C. Narayanagowda (Industry), J.H. Anil Kumar (Media), Devendra Parihariya (Organisation), Shoba Dinesh (Social Service), Prakash Chikkapalya (Art), Cable Mahesh (Politics) and Suhas (Sports) were conferred with the award by MLC C.N. Manjegowda.

Speaking on the occasion, Manjegowda lauded the Trust for its efforts to create awareness about social, cultural, religious and environment issues by organising various programmes. The public should also cultivate similar social concern and think in terms of serving the society without any expectations, he said.

Melukote Vangipura Mutt Seer Sri Ilai Alwar Swamiji, Karnataka Exhibition Authority (KEA) Chairman Hemanth Kumar Gowda, BJP leader Yashaswini Somashekar, Mysuru District and City Brahmana Sangha President D.T. Prakash and others were present on the occasion.
